

**BIRD AND BAT BOX BUILDING &
2ND ANNIVERSARY CELEBRATION
SUNDAY 21ST MAY, 2006, AT RUBY AND MARTIN'S**

**Worthys
Conservation
Volunteers**

Ruby and Martin kindly hosted this month's task at their house on Lovedon Lane. It was an extremely damp and dreary May afternoon, with a steady downfall of rain. Undeterred we set up work-benches in Martin's garage and ex-World War II hut, and went about building a variety of bird and bat boxes. Each member brought a good amount of wood, and instructions were obtained from the RSPB. A total of six small bird boxes, one tawny owl box, and one bat box were produced. Paul was welcomed on his first activity with the group.

Later tea and celebration cake and wine were had with the ladies marking the 2nd anniversary of WCV.

Bruce, Jonathan, Martin, Paul and Michael proudly stand around the newly built bird and bat boxes. The tall box at the front is a tawny owl box!!

2nd anniversary celebration tea, sausage rolls and cakes, and wine!

Everyone gathers round – 'Please sir can I have some more'! A joyous occasion for all.
